

HOW TO PRAY ON LOCATION BASICS

Ask the Holy Spirit to guide you to a place and time of prayer in the city, and for insight while there

Go on your own or with a friend or family

Settle into the location -
sit, stand or walk

Watch and Listen

Notice and Reflect

Pray for all you see and hear and sense as
the Holy Spirit moves you

Return to this location again and again
over the next few months, and keep
watching and listening, noticing and
reflecting, praying and gleaning insight

Be unobtrusive

When we convene in a few months, share
your experience, observations, insights,
and prayers

*Be sure to put a sticker on the map at church
so we can see how the city is being
covered in prayer*

HOW TO PRAY ON LOCATION POINTERS

Pray for Discernment

Ask the Holy Spirit to guide you in observing and noticing how God is at work pouring out his grace in this location

Pray for Blessing

Pray your heart out over every person, home, institution, business, plant, animal and natural ecosystem you see

Pray with Empathy & Compassion

Put yourself in the place of those you see, and pay attention to a growing desire to enter into the life of the person or institution or creation to help them/it flourish

Pray from Holy Scripture

You may want to bring a small Bible, Bible app, or some verses printed out, and read them to yourself while in this location; perhaps after visiting this location a few times, a certain passage may seem most fitting to recite and pray through again and again

Pray with full trust in God

Remember that God was already present and at work here before you arrived, and is here now, and will remain here even after you leave. Applaud God and give thanks to God!
